Vision
The university shall instill originality in the learning minds, impart quality and value based education and engage in Research and Development with the noble objective of creating unique men and women to serve and lead the society.

Mission
- To motivate the students to acquire skills and develop creativity with an innovative attitude.
- To achieve perfection in entirety in every activity.
- To empower rural and disadvantaged section for upliftment.
- To invent products that are useful to the society in the healthcare sector.
- To impart value based education in order to shape the student into a responsible citizen.
**Events And Workshops**

**CHAKRA:**

Interstate level architectural flood light cricket tournament, hosted by the Faculty of Architecture annually.

**Workshops:**

The department encourages students to participate in hands-on workshops which give them practical knowledge of their subjects. Some of the workshops are organized within the department. Students also take part in external workshops such as LBG, Trivandrum and IIT, Kanpur.

**KOLAM**

Architectural Carnival, hosted every year by the School of Architecture. The festival is graced by the participation of other architectural colleges of South India.

**NASA**

Being a member college for the past 7 years, Faculty of Architecture uplifts students to participate in the National Association for Students of Architecture (NASA) which is the largest student body in Asia. Healthy competitions are encouraged among the students on various technical and non-technical platforms.

**Research Programs:**

BINUCOM—an European Commission funded collaborative research project along with:

- Danube University, Austria
- LUND University, Sweden
- FPT University, Netherlands
- CEPT University, Ahmedabad
- SPA, Vijayawada
- KRV Institute of Architecture, Mumbai

**Memorandum of Understanding with other University:**

- MOU for student exchange programme with VIVA school of Architecture, Maharashtra
- Plan for future collaboration:
  - Colombo University, Sri Lanka
  - UCSI University, Malaysia

---

**About Karpagam**

Karpagam University was founded with the mission to impart value based and holistic education that enriches the knowledge and skills of students. The institution strongly believes in empowering lives by means of education.

Our curriculum and teaching-learning methods ensure knowledge transfer transcending all the six levels of modified Bloom’s Taxonomy.

**Recognition**

- Karpagam University was established Under Section 3 of UGC Act, 1956.
- Approved by the Ministry of Human Resource Development, Government of India.
- Accredited by NAAC.
- Approved by Council of Architecture to conduct Architecture program.
- Associated with Indian Institute of Interior Design (IIID).

---

**Facility of Architecture, Design and Planning.**

To scale great heights, a firm foundation is the most fundamental requirement. At Karpagam University’s School of Architecture, it is this philosophy which drives us to build a strong base for our students, one that allows them to reach the skies. From the expertise of internationally acclaimed architects as guest faculty, to internship in eminent architectural firms, our students don’t just get an education on high rise buildings, they learn how to rise high.

The School of Architecture is well equipped with necessary infrastructure such as Design Studios, Glassrooms, Lecture theatres with Audio-Visual equipment, Library and Material museum, Computer laboratory, Workshops, etc. In addition, students utilize the Central Library, Auditorium, Seminar halls, Canteen and Sports facilities regularly. There are separate hostels for boys and girls within the campus.
