About the University

Karpagam University was started with a prime ambition of affording opportunities to young men and women for equipping themselves to get employed and contribute to the technological and social development of the nation.

“Our mission as an educational institution is to instill originality in the learning minds and impart strength and efficiency by giving quality-value-based educations, motivating skills and creativity with innovative selective knowledge, for the purpose of rendering unique products to serve and then lead the society and being perfection in entirety which projects our vision”.

The University offers wide range of Undergraduate, Post graduate and Doctoral programs in the field of Arts, Science, Management, Architecture, Pharmacy and Engineering streams.

Department of Computer Science

The Computer Science Department is formed to provide best updated courses in computer science and graduate computer scientists who are recognized as best all over the world. The Department offers B.Sc (CS) in the under-graduate stream and M.Sc (CS) in the Post graduate stream. Further, it is also a full fleged Research Department, offering Full-time and Part-Time M.Phil and Ph.D research programs.

The faculty and students dedicate themselves to take the maximal advantage of modern Computer Science to solve a wide range of complex scientific, technological and problems. The department continues to promote innovative research in the core Computer Science as well as multidisciplinary application areas

About the seminar

The objective of this seminar is to equip the research scholars to know the tools and techniques needed to do a research. This seminar covers the research methodologies, and its techniques. The seminar aims at bringing the research scholars together to share their knowledge for achieving focused development and advancement in their area.

Research Scholars are mandatory to publish research papers in refereed journals before the submission of thesis. Writing a research paper is an art as well as a sophisticated knowledge based skill. Very few understand the method involved in writing a research paper which is publishable in a high quality refereed journal. This workshop is expected to fill up this gap.

Resource Person

K.Ramdoss
Professor & Former Head,
Dept. of Computer Applications,
NIIT, Trichappalli.

Registration Fee

Students : Rs. 300
Research Scholars & Faculty from host : Rs. 500
Research Scholar from other University : Rs. 600
Faculty : Rs. 750
Industry Person : Rs. 1000
